How do I enter recipients using the grid?

Contacts · https://thankster.com/docs/how-do-i-enter-recipients-using-the-grid/

The grid functions largely like an Excel spreadsheet. You can type directly into the grid or paste information into it.

The grid is recommended for use with 100 or fewer recipients. For larger lists, it is best to import a spreadsheet.

Here's how to do it using the grid:
